

## **Comztek gets lomega account**

ICT distributor Comztek has added lomega to its dynamic consumer electronics product line. Heinz Stephen, director of consumer electronics, Comztek says, "lomega fits in perfectly with the rest of Comztek's blue-chip product mix. The partnership with lomega puts us in a unique position to offer our customers true end-to-end solutions in the consumer electronics market." Stephen explains: "The decision to work with lomega was an easy one. Comztek sought a partner that would match its culture of innovation and customer-centric service delivery together with providing reliable quality products, and this was achieved through the partnership with lomega."
